Nurkhan Masimzada

Warsaw, Poland

+48 573 403 395 — nmasimzade@outlook.com — LinkedIn — Portfolio

Career Objectives

- Continuing to develop and expand skills in full-stack software development.

- Seeking challenging roles that involve working with multilingual teams and international projects.

- Applying and enhancing knowledge of various programming languages, frameworks, and technologies (C#, ASP.NET, SQL, Python, Django, HTML, CSS, JavaScript, React.js).

- Contributing to the creation and maintenance of scalable, user-focused systems.

- Gaining further experience in quality assurance, debugging, and issue tracking.

- Leveraging existing experience in both front-end and back-end development, as well as teaching/mentoring roles.

- Furthering academic knowledge while gaining practical experience in the software development field (M.Sc. in Computer Science).

Relevant Skills

- **Languages**: Turkish (Native), English (Professional), Azerbaijani (Native)

- **Software Skills**: C#, ASP.NET, SQL, Python, Django, HTML, CSS, JavaScript, React.js

- **Transferrable Skills**: Attention to detail, debugging, user-focused design, multi-platform understanding

- **Soft Skills**: Communication, team collaboration, problem-solving

- **Tech Knowledge**: Experience with browser tools, mobile interfaces
